Operation Cobra Source Analysis

Source A

Using the narrative of Operation Cobra, use two colors to draw the routes and label the dates of the U.S. and German soldiers on the map.

Using the map, estimate how many miles a day soldiers traveled between the following cities.

a. Caen to Saint-Lô: ____________________________  b. Saint-Lô to Avranches: ____________________________

c. Avranches to Mortain: ____________________________  d. Avranches to Falaise: ____________________________

Using the timeline and the map, estimate the distance Allied soldiers traveled from July 20 to August 7, 1944: ____________________________

The average pace for marching soldiers is two miles per hour. What factors might interfere with the rate of travel from city to city?
